Local Show Headed to the Emmy's
Compelling Story leads to Emmy Nomination

SAN ANTONIO – The Dr. Carrasco Show, locally produced by Carrasco Media Group, was nominated for an Emmy Award by the Lone Star EMMY Chapter of the National Academy of Television Arts and Sciences. This is the second year The Dr. Carrasco Show has been nominated for an award. The show received six nominations and won in the Interview/Discussion category in 2009.

This year's nomination comes from the Interview/ Discussion category for the episode entitled "For the Love of Family." The real life story takes you inside the life of a 42- year-old woman named Brenda who was born with a mental disability and mysteriously becomes unable to talk and is stuck in a trance-like state. With the immediate help of Dr. Carrasco during an emergency procedure, she is able to talk again. Brenda's greatest supporter is her 85 year-old Father. The show displays the unconditional love of a parent who would do anything for their child despite the many challenges they may face. " Brenda is a special patient who was born with a mental disability, to see the love and fight her Father had for her was compelling and I knew I had to share their story with the world," explained Dr. Arnulfo Tarin Carrasco.

Dr. Carrasco will be inviting Brenda and her Father to the Emmy Awards ceremony, which will be held on October 16, 2010 in Dallas, TX. " We work very hard to make sure that each of our episodes has a positive impact on our viewers and feel blessed that our work was even recognized with this nomination, either way it creates awareness for families in this real situation," he added.

The National Academy of Television Arts and Sciences upholds the highest standards for excellence in television broadcasting from experienced and talented professionals in the industry. All Texas television markets are eligible for the prestigious award by the Lone Star Chapter.

The Dr. Carrasco Show airs every Sunday at 8:30 am on KABB FOX 29 and KABB FOX Ch. 5 in Laredo. To see the full episode "For the Love of Family", go to [www. DrCarrascoShow.com/LoveofFamily.aspx](http://www.DrCarrascoShow.com/LoveofFamily.aspx)
